

Trinket Box

**Platinum Project designed by
Snow Lady Designs ©2007**

**Design is from the Platinum Treasure “It’s a Spring Thing”
Designed by Candy Apple Quilts ©2007**

Supplies

**Design of your choice stitched on fabric of your choice
Use the supplies called for with your design
Paper Mache box large enough for your design to fit the top
Acrylic Paint in colors to coordinate with your design and fabric
Paint brush
Enough Beaded trim to go around your box
Hot glue and glue gun
Peel and Stick or Fusible web
Since my box was too shallow for the trim I choose I also used 4 wooden
balls to make feet on the bottom of the box. Of course this is optional.**

Paint Box and let dry. Don't forget the inside!!!

Adhere design to box top going slightly over the edge. I like to use Peel and Stick but fusible web also works.

Using hot glue or other adhesive glue trim to edge of box top. Since I had to add the little legs I also hot glued them.

This is a great project for any design and any theme. Sure hope you enjoyed it.
