Using a piece of cardboard or foam board cover with your favorite color background.

Use ribbon to form a pattern, securing at back and at join marks. Add a ribbon or chain for a hanger and felt to cover the back.

Embroider your design on glitter felt. Cut out around the edges in a pretty pattern. If you want to use it as a topper use a cardboard backing.

Secure your design to the board either on top, or in the chosen place using FabriTac glue. Or to make your message board reusable with each season secure a piece of Velcro to the board to attach each season's design.
