

Platinum Valentine Rose

Using just a bit of lace, a silk flower stem and a Platinum Design you can make a memory for that someone special.

Using a sticky back stabilizer like Floriani Perfect Stitch
A Pair of Thongs
And the smallest hoop available for the size of the design

Note: These can also be done for the men in your life

Fold the stabilizer in half and then in half again to mark the center of the design.
Remove the protective paper from the center of the stabilizer leaving the sticky area. Now center the panties over this area making sure they are straight.
Stitch the design.

When finished stitching, trim any threads. Then fold panties in half and then fold again as shown in photo.

Roll the panties up, until the decorative design is shown on the front. Using a few hand stitches to hold in place.
Now, using a silk flower stem add the panty "rose".

A bit of tissue paper, or a pretty vase and you have the perfect gift!

What man can resist a
THONG!

Try using a bolder design, a bolder flower stem...like a sunflower...and you have a gift for that man in your life.

Just for fun from the designers at Platinum Embroidery
